

Open Competitions – Annual Print

1. Entry to the competition is restricted to paid up members of Worthing Camera Club only.

2. All entries compete on an equal footing. There are no Beginner, Intermediate, or Advanced Categories.

3. There are five subjects available to be entered in. These are;

a: Portrait.

b: Landscape/Seascape.

c: Nature.

d: Monochrome.

e: General.

5. Members may enter up to three images in total. They are not restricted to one subject but may be spread amongst them in any combination (for example, you can enter 2 images for Landscape and 1 for Portrait, 1 image in three separate subjects, or 3 images in one subject).

6. Unless otherwise stated, entries must be delivered to the competition secretary one week before the event. Later entries may be accepted at the discretion of the Print Competition Secretary provided that at least one week's notice is given and the title of the entry provided.

7. Prints are to be mounted 40cm by 50cm. The image title, competitors full name, the class – i.e. 'Portrait', 'Landscape', 'Nature', 'Monochrome', 'General' needs to be displayed on the top left hand corner of the mount, on the back of the print. The competitors name should not be visible on the front. Tape used in mounting should not be visible or likely to be a risk to other people's prints. Prints can be submitted in individual bags but these must not be sealed.

8. You may use prints that have already been used in Merit, Panel, or Set Subject competitions previously, or as PDI's.

9. Prints can be trade processed but must otherwise be the original work of the owner.

10. Marks given are out of 20 and the winners of each subject will be announced on the night. The 'Print of the Year' and Runner-up Print of the Year' will also be announced on the night. Trophies will be awarded, as listed, at the AGM.

11. The Competition Secretary is authorised to reject any entry failing to comply with these rules, subject to appeal to committee at a later date.

12. Whilst every care will be taken, all entries are submitted at competitor's own risk.
